

# GET READY FOR SENIOR LEARNING

The transition into Year 11 is a significant milestone for young people and their families. At Callaghan College, we are committed to ensuring all Year 10 students are well supported in their move to the Senior Campus to begin their HSC journey.

To support students during this important transition, we have planned a series of upcoming events for both students and their families.

These events are designed to familiarise students with our senior learning environment, connect them with teachers, and provide valuable information and guidance on subject selection and learning pathways.

## TERM 3 KEY EVENTS
