

2024 YEAR 7 ELECTIVES

NAME: _____

SCHOOL: _____

Get ready for high school, where you'll have the opportunity to explore exciting, challenging and thought provoking subjects. This includes an elective subject.

To prepare for 2024, read through the electives below and place numbers 1 to 4 in elective squares that you find most interesting and would want to explore next year. (1 = 1st choice, 2 = 2nd choice etc).

INDUSTRIAL SCIENCE

Are you ready to embark on an exciting journey through the captivating realms of science?

Through hands-on experiments, critical thinking and collaborative learning, you'll unlock the wonders of science!

MORE THAN A GAME!

Sport is more than just a game!

It teaches us to be courageous, determined, persistent and patient.

In every lesson, your active participation will develop respect, integrity, leadership, teamwork and emotional regulation.

STRONGER TOGETHER

Get comfortable being uncomfortable!

Participate in challenging individual or team workouts, help push your fellow students harder and develop your personal responsibility, humility and sportsmanship.

BUILDING DREAMS

If you can dream it, you can build it!

Manage your own building project using metal, wood and the wonders of electricity.

BEYOND NOW

The future is now!

Creatively solve problems, explore emerging technologies and delve into the virtual world.

MASTERCHEF

You might be able to cook a meal however in Masterchef, you'll learn there's a whole lot more to know than just what you plate up.

LIVING STORIES

Gain a greater understanding of your place in the world.

Learn about family history, our community history and understand place and purpose.

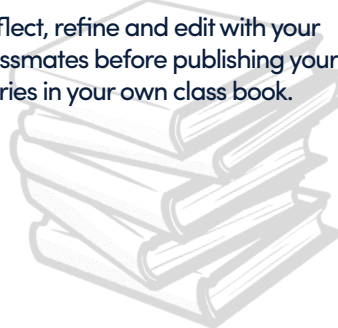

PUBLISH ME

Have you got a story to tell?

Learn why storytelling matters and compose your own collection of creative pieces.

Reflect, refine and edit with your classmates before publishing your stories in your own class book.

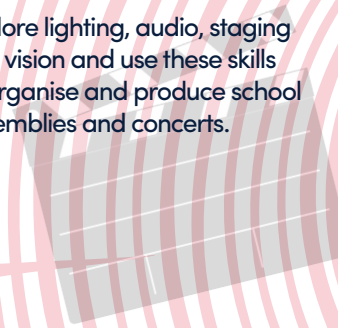

BEHIND THE SCENES

Lights, camera, action!

Learn what goes on behind the scenes in the entertainment industry.

Explore lighting, audio, staging and vision and use these skills to organise and produce school assemblies and concerts.

TRIPLE THREAT

Are you the next superstar?

Express your creative ideas, dance, sing and act, then bring them all together in your own performance.
