

You are invited to attend

THE NDIS IN CALD COMMUNITIES INFORMATION SESSION

An information session delivered by the NDIS Local Area
Coordination Team

Do you support people who may be eligible for the NDIS?

Do you understand what NDIS supports are available to members of our CALD Communities?

Who can provide an "Access Request" Form? What evidence is needed and what supports are in place? Who pays for interpreters and plan translation?

St Vincent de Paul LAC Program is holding two information sessions to answer these questions and to meet with an experienced Local Area Coordinator
