Discover

- Take a tour around the world, stopping off in different locations to learn elements of each place's language, culture and traditions.
- Access authentic cultural resources from each area to help build your understanding of the world.
- Interview with people from different linguistic and cultural backgrounds, investigate traditional festivals and games, research and prepare different cultures' foods, exchange emails/videos with schools from around the world.

Share

- Students participate in cultural days within our school, such as Harmony Day, Refugee Week and NAIDOC Day.

Create

- Students will create a portfolio of work that will be showcased in classrooms and at events such as school open days.
