School developed

School developed course that looks at extending what is covered in core Maths classes.

Project based learning with plenty of hands on Mathematical tasks.

WHO IS THIS COURSE FOR?

- Students who enjoy doing Mathematics and may need it for further studies in Year 11, 12 and beyond.
- Students who are curious about going deeper into Mathematics.
- Students who want to develop to further develop their strength in Mathematics.

WHY WOULD I CHOOSE THIS COURSE?

- If you want to learn more about Mathematics than what is taught in your core lessons.

- If you want to extend your learning in Mathematics.
- If you want to further explore how Mathematics can support future job prospects and senior studies.

IS THERE ANY MATHS INVOLVED IN THIS COURSE? WHO IS THIS COURSE FOR?

- Yes, lots of Maths and extended Mathematics. If you enjoy maths and want to learn more this course is for you!

I AM STILL NOT SURE. WHAT SHOULD I DO?

- Ask your Maths teacher if you should do this course or email/see Mr Densham.
