Take your place in the spotlight with Drama, an exciting Year 8 elective designed to take your passion for theatre to the next level! Whether you're an experienced performer or new to the world of Drama, this class is open to all, inviting you to explore, create, and shine on stage.

In Drama, you'll dive deeper into the art of performance, building on your improvisation skills and exploring new areas such as script work, character development, and stagecraft. Through hands-on activities and engaging workshops, you'll have the chance to collaborate with your classmates, develop your acting techniques, and create compelling scenes and characters.

But the magic doesn't stop there! Drama offers you the incredible opportunity to see live performances and gain inspiration from professional theatre productions. You'll experience the thrill of being an audience member and the excitement of performing in front of a live audience, showcasing your talents in school productions that bring your unique stories to life.

By the end of the course, you'll be a part of a supportive and creative drama community, ready to tackle new theatrical challenges and express yourself in ways you never imagined. Drama isn't just about acting; it's about discovering your potential, building confidence, and making lasting memories on and off the stage. Join us and let your dramatic journey begin!
