Embark on the next exciting chapter of your theatrical journey with our Year 9 Drama elective! Whether you're a seasoned performer or exploring drama for the first time, this course welcomes all students eager to unleash their creativity and shine on stage.

In Drama, you'll delve into a wide array of dramatic activities, pushing your boundaries and expanding your skillset in a welcoming and supportive environment. Here's a glimpse of what you'll experience:

- **Improvisation and Theatre Sports:** Master the art of quick thinking and spontaneous storytelling.
- **Script Writing:** Craft compelling narratives and bring your original ideas to life.
- **Play Building:** Collaborate with your peers to create and perform your own plays.
- **Stage Fighting:** Learn the exciting techniques of stage combat.
- **Musical Theatre:** Experience the thrill of combining acting, singing, and dancing to bring your favourite musical numbers to life.

- **Theatre Craft:** Dive into the creative process of costume and stage design, and discover how every element contributes to a captivating performance.

But 'Drama' isn't just about what happens in the classroom. You'll have the opportunity to attend live theatre productions, drawing inspiration from professional performances and broadening your understanding of the dramatic arts. Plus, you'll get the chance to perform both in school and in community settings, showcasing your talents and bringing your creative visions to life.

Throughout the course, you'll be part of a vibrant drama community where everyone is encouraged to participate actively and bring their unique voice to the stage. 'Drama' is more than just a class—it's a space where you can explore your passion, gain confidence, and make lasting memories through the power of performance. Join us and take your drama skills to new heights!
