Commerce provides students with real-life, “hands-on” skills that they can apply throughout their lives. Students learn about their rights and how to make, save and spend money wisely.

Throughout the course, students will develop the ability to research information, apply problem-solving strategies and evaluate options in order to make informed and responsible decisions on matters relating to their consumer, financial, economic, business, legal, political and employment interactions.

Students will also have the opportunity to participate in additional enrichment opportunities, including:

- ASX Stock Market Game
- \$20 Boss Program
- Excursions to court, shopping centres, workplaces and businesses
