School developed

Music Enrichment is a dynamic course designed to inspire students to grow as both individual musicians and ensemble performers.

Students will have the opportunity to explore and refine their skills on their chosen instrument while tackling exciting repertoire tailored to their abilities. Through collaborative rehearsals, they will experience the joy of making music as part of a team, learning the importance of listening, balance, and unity.

The course culminates in live performances, giving students the chance to share their passion and hard work with an audience.
