

How to Download and Install Adobe Creative Cloud and other software from the NSW On The Hub Webstore

- Login to the student portal using your DoE Username and password
- Within the Learning portlet, click on **Adobe DoE Download Software**. You will then be directed to the OnTheHub website

- Log in or register using your School/DoE Username (firstname.lastname@education.nsw.gov.au) and password
- A confirmation email will be sent you your DoE/School email account. Open your School email and find the confirmation email, then click on the confirmation URL to validate your email address.
- Click on the Adobe tab and select the software you wish to download from the currently available selection (this changes as new software is released)

Welcome to your Academic Software Download Centre!

All NSW Department of Education school students are eligible to download and licence Adobe and Microsoft software from this website.

This software is only available to download onto personally owned devices. For other popular non-DoE related software available at discounted prices, see [Kivuto's Global eStore!](#)

Students will need to use their @education.nsw.gov.au student email address to register on their first visit. To register, click on the "Sign In" link at the top of the page and then click on the REGISTER button. A verification email will be sent to your NSW DoE email address. To complete the registration please select the link provided in the email.

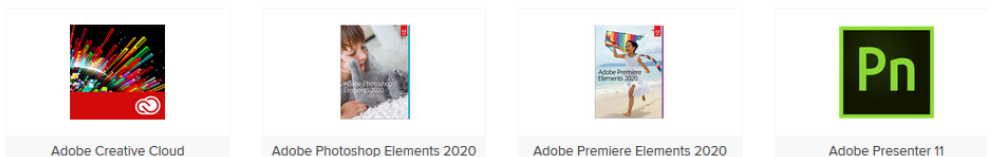

Note: Individual students are eligible for one download per application only.

If you encounter a verification error, please contact Kivuto's technical support through the Contact Us link via the Help link located at the top right corner of this WebStore.

Please make use of the help menu if you have any problems.

There is an extensive FAQ below that will answer some of your questions and also instructions on how to create an Adobe ID and Creative Cloud installation.
